ABOUT THIS STATEMENT OF VOTE

The Introduction

This Statement of Vote contains a wealth of information. In the introductory pages, you will find the voter registration and participation statistics reported by county for this election and statewide historical totals for past general elections dating back to the November 8, 1910 election. Also included are the signature requirements for qualifying an initiative or referendum measure for the ballot, or a new political party to nominate state-level candidates. The voting systems used by the counties and a brief description of each is next, followed by a brief discussion of the election of statewide officers, members of the State Board of Equalization, United States Senate, United States House of Representatives in Congress, and the State Legislature. The last section in this introduction contains the summaries of votes cast for statewide ballot measures, concluding with the summary of votes cast for all statewide offices and measures on the November 7, 2006 General Election ballot.

The Statement of Vote

The Statement of Vote reports the county-by-county total votes cast for each candidate and measure on the ballot. For example, in a statewide contest such as United States Senator, the vote is reported by all 58 counties, listed in alphabetical order, with the statewide total at the bottom. Candidates are listed in party alphabetical order, with major parties first, followed by the smaller parties: Democratic, Republican, American Independent, Green, Libertarian, Natural Law, and Peace and Freedom. Qualified write-in candidates are listed last. Totals are provided along with the percentages those votes represent.

FOR EXAMPLE PURPOSES ONLY:

Note 1: P indicates a presidential election year; S indicates a statewide special election.

Note 2: In 1911 women were given the franchise.

Note 3: 1972 was the first year that 18- to 21-year-olds were eligible to register and vote in a general election. The registration period was also extended that year by reducing the 54-day pre-election cut-off period to 30 days.

Note 4: In 1975, the cut-off period for registering to vote was reduced by the Legislature to 29 days prior to the election.

Note 5: In 2001, the cut-off period for registering to vote was reduced by the Legislature to 15 days prior to the election.

INITIATIVE, REFERENDUM, AND POLITICAL PARTY QUALIFICATION REQUIREMENTS

INITIATIVE AND REFERENDUM PETITION SIGNATURE REQUIREMENTS

SIGNATURE REQUIREMENTS FOR QUALIFYING INITIATIVE AND REFERENDUM PETITIONS IN 2007, 2008, 2009, AND 2010

(Based on the number of persons who voted for the office of Governor at the 2006 General Election)

INITIATIVE

Often called "direct democracy," the initiative is the power of the people to propose statutes, amendments to the state constitution or general obligation bond measures for voter approval or rejection. An initiative statute requires the signatures of registered voters equal in number to 5% of the votes cast for all candidates for governor in the last general election in order to qualify for the ballot; an initiative constitutional amendment requires signatures equaling 8% of the gubernatorial vote. A qualified initiative is placed on the ballot at a regularly scheduled statewide election that occurs at least 131 days after the measure qualifies, or at a special election called by the Governor. Any initiative that qualifies after the 131-day deadline is placed on the next ensuing statewide ballot. The Legislature may amend or repeal initiative statutes, but must submit the amendment/repeal to a vote of the people, unless the initiative statute permits amendment or repeal without voter approval.

Number of Signatures Required for an Initiative Constitutional Amendment: **694,354**
[8 percent of 8,679,416 (Art. II, § 8(b), Constitution)]

Number of Signatures Required for an Initiative Statutory Measure: **433,971**
[5 percent of 8,679,416 (Art. II, § 8(b), Constitution)]

REFERENDUM

Referendum is the power of the people to approve or reject statutes adopted by the Legislature, except those that are urgency, that call for elections, or that provide for tax levies or appropriations for usual current expenses of the state. Citizens wishing to block implementation of a legislatively adopted statute must gather, within 90 days of enactment of the bill, signatures equal in number to at least 5% of the votes cast for all candidates for governor in the last gubernatorial election. A qualified referendum is placed on the ballot at a statewide election that occurs at least 31 days after the measure qualifies, or at a special election called by the Governor. The Legislature may amend or repeal referendum statutes.

Number of Signatures Required for a Referendum Measure: **433,971**
[5 percent of 8,679,416 (Art. II, § 9(b), Constitution)]

NEW POLITICAL PARTY QUALIFICATION REQUIREMENTS FOR THE 2008 AND 2010 PRIMARY ELECTIONS

(Based on the number of persons who voted at the 2006 General Election)

There are two methods by which political parties can qualify for official status enabling them to place candidates on the primary election ballot. The qualification deadline for either method is 135 days before a statewide primary in an even-numbered year, based on the registration totals as of the 154th day before the election.

1. **Registration.** By the 135-day deadline, a party must have obtained registrations equal in number to 1% of the total vote cast in the last gubernatorial election. The current registration requirement is:

New Political Party by Registration 88,991
[1 percent of 8,899,059 (§5100(b), Elections Code)]

2. **Petition.** By the deadline, a party must have collected petition signatures of registered voters of any party equal in number to 10% of the vote cast in the last gubernatorial election. The current signature requirement is:

New Political Party by Petition 889,906
[10 percent of 8,899,059 (§5100(c), Elections Code)]

REQUIREMENTS TO MAINTAIN QUALIFIED STATUS

To retain its official status, a party must maintain a registration level equal to 1/15 of 1% (0.00067) of the total registration of the state at all times [Elections Code §5101]. In addition, after each gubernatorial election, party qualifications are reviewed. To retain its official status after the election, a party must:

1. Maintain a registration level equal to at least 1 percent of the entire vote of the state at the last gubernatorial election [Elections Code §5100(b)]

or
2. Have a candidate for statewide office (Governor, Lieutenant Governor, Secretary of State, Controller, Treasurer, Attorney General, Insurance Commissioner, or United States Senator) poll at least 2% of the vote for that office [Elections Code §5100(a)].

THE CONTESTS

CONSTITUTIONAL OFFICERS AND INSURANCE COMMISSIONER

The election and duties of seven statewide officers are set forth in Articles V and IX of the California Constitution – Governor, Lieutenant Governor, Secretary of State, Controller, Treasurer, Attorney General, and the Superintendent of Public Instruction. The Constitution also provides for the election and describes the duties of the members of the four Board of Equalization districts. Proposition 103, adopted by voters in 1988, provided for the election and described the duties of the State Insurance Commissioner. All twelve officers are subject to term limits, serving two four-year terms.

UNITED STATES HOUSE OF REPRESENTATIVES IN CONGRESS

The United States House of Representatives has 435 members elected to serve two-year terms. The number of Representatives allocated to each state is determined by the state's population, as reported in the decennial census. Federal law requires the reshaping of congressional/legislative districts within each state following the census to reflect the changes in population and ensure that the "one-person, one-vote" mandate is obeyed. Since the 1879 State Constitution, the Legislature has been charged with the responsibility of reapportioning legislative, congressional and board of equalization districts. The elections and reapportionment committees of each house use the census tract maps supplied by the U.S. Bureau of the Census and precinct information supplied by the counties to realign the districts. Following the 2000 census and subsequent reapportionment of districts, California added one district, bringing its congressional delegation to 53 members of the House of Representatives. The next census will occur in 2010.

THE CALIFORNIA LEGISLATURE

The California State Legislature consists of two houses:

The State Senate: the "upper" house is comprised of 40 Senators, each elected to four-year terms. As with the U.S. Senate, the terms of the Senators are staggered so that half the membership is elected every two years. The Senators representing the odd-numbered districts are elected in years evenly divisible by four (the presidential election cycle). The Senators from the even-numbered districts are elected in the intervening even-numbered years (the gubernatorial election cycle).

The State Assembly: the "lower" house is comprised of 80 members, each elected to two-year terms and is on the ballot at every regularly scheduled statewide election.

Both State Senators and Members of the Assembly are subject to term limits: two four-year terms for Senators and three two-year terms for Assembly members.

UNITED STATES SENATE

The United States Senate consists of 100 Senators, two elected from each of the 50 states to serve six-year terms. The Senate is divided into three classes, whose terms of office are staggered so that only one-third of the Senate is elected during any election year. California's Senators are in Classes 1 and 3 and were elected most recently in 2004 (Boxer) and 2006 (Feinstein). Every third statewide election there is no United States Senate contest on the ballot.

STATEWIDE BALLOT MEASURES (PROPOSITIONS)

Statewide ballot measures (propositions) reach the ballot in a number of different ways. They are:

Legislative Constitutional Amendment (LCA)

An LCA is an amendment to the state constitution proposed by the Legislature. It must be adopted in each house of the Legislature by a two-thirds vote of the membership; it does not require the Governor's signature to be placed on the ballot. Once it has been adopted by the Legislature and chaptered by the Secretary of State, the measure is placed on the next statewide ballot that occurs at least 131 days from the date of chaptering.

Legislative Bond Measure

Any bill calling for the issuance of general obligation bonds must be adopted in each house of the Legislature by a two-thirds vote of the membership, and signed by the Governor (or allowed to become law without the Governor's signature). It is subject to the 131-day qualification deadline.

Initiative

The initiative allows citizens to propose statutes, amendments to the state constitution or general obligation bond measures for voter approval or rejection. An initiative statute requires the signatures of registered voters equal in number to 5% of the votes cast for all candidates for governor in the last election to qualify for the ballot; an initiative constitutional amendment requires signatures equaling 8% of the gubernatorial vote. Initiatives are also subject to the 131-day qualification deadline. Any measure that qualifies after that deadline is placed on the next ensuing statewide ballot.

Referendum

The referendum gives citizens the ability to approve or reject statutes adopted by the Legislature, except those that are urgency, that call for elections, or that provide for tax levies/appropriations for usual current expenses of the state. Citizens wishing to block implementation of a legislatively adopted statute must gather, within 90 days of enactment of the bill, signatures equal in number to at least 5% of the votes cast for all candidates for governor in the last gubernatorial election. A qualified referendum is placed on the ballot at a statewide election that occurs at least 31 days after the measure qualifies, or at a special election called by the Governor. The Legislature may amend or repeal referendum statutes.

Initiative Amendment

Unless an initiative specifically allows for legislative amendment of its provisions, the Legislature must submit any legislatively proposed amendment to a vote of the people. A legislative initiative amendment requires only a majority vote of each house, unless otherwise specified in the initiative, and must be signed by the Governor or allowed to become law without the Governor's signature. The 131-day qualification deadline applies. An initiative amendment may also be proposed by another initiative.

ALL STATEWIDE BALLOT MEASURES REQUIRE A SIMPLE MAJORITY FOR PASSAGE, MEANING A MAJORITY OF THE VOTES CAST.

Statewide ballot measures are numbered consecutively in ten-year cycles; the current cycle began with the eleven measures on the November 1998 general election ballot.

PREFACE

The Supplement to the Statement of Vote explains how votes were cast at a very detailed level within each county for statewide offices and measures.

This document is produced pursuant to Elections Code section 15502 which requires the Secretary of State to compile a Supplement based upon the information provided by the counties, within 120 days of the filing of the Statement of Vote. This document shows the number of votes cast in each county, city, Assembly district, Senate district, Congressional district and Supervisorial district for each candidate for the offices of, Governor, and United States Senator, depending on the offices to be filled, and on each statewide ballot proposition.

In accordance with this requirement, this particular Supplement to the Statement of Vote contains the official vote count results by county for the six partisan and six write-in candidates for Governor, the six partisan and four write-in candidates for United States Senator, and the thirteen ballot measures that appeared on the November 7, 2006 General Election ballot.

The first report for each contest presents a summary of the vote totals by county. The second report contains the totals by political subdivision within each county, followed by the results from each Congressional, State Senate, State Assembly, and Board of Equalization district. The district results indicate the votes cast district-wide and within each county that comprises the district.

Questions concerning these certified election results should be referred to:

Supplement to the Statement of Vote**

EXPLANATORY NOTES

This Supplement to the Statement of Vote contains the official vote results for the November 7, 2006 General Election as provided to the Secretary of State's Office by the counties.

San Bernardino County

The sum of the vote results in the congressional district breakdown exceeds the county total vote in the Political District within Counties for State Ballot Measures report.

There is a duplicate precinct in the congressional district vote breakdown. All other district vote totals are correct. Please contact the county if you have any questions.

San Luis Obispo County

The sum of the vote results in the supervisorial districts is less than the county total vote in the Political District within Counties for Governor, United States Senate and State Ballot Measures reports.

In the county's Official Canvass, these "multiple districts" votes make up the difference between the supervisorial districts and the county total. County vote reporting system programmed mail ballot precincts by ballot type. Some of these ballot types crossed supervisorial district lines. These ballot types were consolidated into a line item called "multiple districts."
